**Camphill Special School receives grant from BMW of North America**

GLENMOORE, PA – June 14, 2006

Camphill Special School in Glenmoore, PA, recently has been awarded a grant of \$20,000 from BMW of North America. The School, also known as “Beaver Run,” serves children and youth with developmental disabilities through education and therapy in extended family living. The grant, made through BMW of North America’s Community Relations program, will support the school’s renovation of its oldest children’s house, Rock Crystal, built in 1967.

The BMW Group in the United States includes marketing, sales, and financial service organizations for the BMW brand, the MINI brand, and the ROLLS-ROYCE brand of Motor Cars; DesignworksUSA, an industrial design firm in California; a technology office in Silicon Valley and various other operations throughout the country. BMW Manufacturing Co., LLC in South Carolina is part of BMW Group’s global manufacturing network and is the exclusive manufacturing plant for all Z4 models and X5 Sports Activity Vehicles.

The BMW Group’s sales headquarters for North, Central and South America, is located in Woodcliff Lake, New Jersey.

Camphill Special School serves students aged 4 to 21 with special needs and special potential. The School is an Approved Private School and a member of the Association of Waldorf Schools of North America.
